MONEY MATTERS

Cut-off for Yearly Contributions

To comply with IRS regulations, the cut-off date for contributions for 2008 will be December 31, 2008. All contributions must be received in the office by this date. In the past, we had been more lenient with a cut-off date, but with the tightening of accounting guidelines, we are forced to cut-off all contributions on the last day of 2008. Anything that is received after December 31, 2008 will be credited to 2009. Again, the contribution must be received in the office no later than December 31. Checks or envelopes postdated December 31 but not received until January 1 or later will be posted to 2009. Thank you for your understanding in this matter.
